Testimonial / Letter of Appreciation

Mr. Rajeev Sakhuja is one of the well known and highly respected professionals and is financial manager of many residents and businesses of Defence Colony. He is renowned in his field and well recognized by experts and contemporaries in many parts of the world. He is a winner of numerous awards in the area of financial services. He has been in business for many years and is a great asset to our community. He also lives there and has '*boots on the ground*' right in the neighborhood. He runs his financial enterprise with the infrastructure and skilled staff that he can specifically delegate for the different needs of residents in Defence Colony.

Besides being a great and successful financial manager, Rajeev Sakhuja, is also an expert property manager. I have known Mr. Sakhuja for over seven years and he has been managing my property for over three years. He is very caring and will go out of his way to help in any capacity he can. He is a people's man, very resourceful and understands the challenges that landlords face regarding property management. He is always ready with solutions.

I highly recommend Mr. Sakhuja, you have a *winner* in him.

Sincerely,

Manju Masson
